Let’s bake!

1. Wash your hands and put on an apron.
2. Mix the butter and sugar until creamy. Add the egg and vanilla, and mix again.
3. Stir in the flour, baking powder and salt to make a soft dough.
4. Wrap the dough and chill it in the fridge for 30 minutes.
5. **Grown-up:** heat the oven to 350°F (175°C).
6. Roll out the dough and cut out lots of stars!
7. **Grown-up:** bake for 8 to 10 minutes, until the edges are golden. Let them cool.
8. Decorate, then share your stars with someone special.

Grown-ups: the oven is hot, so you do the baking. Check for allergies (this recipe has wheat, egg and dairy).
